

SUAAL QUIZ

“Knowledge gives you the opportunity to make a difference in the world”

On the 26th of May 2018, Suaal–Ramadan Quiz Competition 2018 was held in the **Abu Dhabi Indian School Branch-1, Al Wathba** for the students of classes 9-12. This *Interschool Islamic quiz* was conducted for students across all seven Emirates of the UAE with a promise of gold coins and attractive prizes for winners from each region. The quiz was based on the topic **“Life of Prophet Muhammed [PBUH]”**.

The students of the school exhibited great enthusiasm with active participation in the quiz and the results of the competition are yet to be announced. We believe that quiz competitions like these help students in empowering themselves with knowledge and give them an opportunity to learn new things differently.

A special mention has to be made, because of the good number of registration from our school, the school had the privilege to hold the competition in its premises.

Staff in charge – Mr. Etienne and Ms. Malathy.
