PURPOSE OF STUDENT COUNCIL

Student Council is an organization conducted by students and supervised by adults. The purpose of the student council is to give students an opportunity to develop leadership by organizing and carrying out school activities. In addition to planning events that contribute to school spirit and community welfare, the student council is the voice of the student body. This is why the Student Council is arguably more important now than ever. Our aim is to ensure that all student activities are not only fun, but safe, as we put the health of our students first and foremost.
